

## Frequently Asked Questions

### **What is the International Day for the Unreached (IDU)?**

IDU is an initiative of an alliance of ministries that are dedicated to taking the saving message of Jesus Christ to unreached and unengaged people groups around the world.

### **Who is participating in IDU?**

While dozens of ministries and hundreds of churches are being asked to participate in IDU, the core members of the IDU Alliance include Bibles For The World, Missio Nexus, Mission Network News, OM (Operation Mobilization), Partners International, Reach Beyond, World Mission and ZimZam Global. Partnering ministries can sign on in support of the effort as **Advocates for the Unreached**.

### **When is IDU?**

**The IDU** will be May 20, 2018, Pentecost Sunday. Pentecost marked the descent of the Holy Spirit on the Church, equipping believers to take the gospel to the ends of the earth. On this historic event in Church history, more than 3,000 people came to Christ upon hearing the gospel in their own languages and context. By trusting Christ, many had to abandon other religions and cultural practices. Our prayer is the International Day for the Unreached reignites a passion among believers to take the gospel to the ends of the earth. In honor of this event, the IDU will be on Pentecost Sunday each year.

### **What is the objective of the IDU?**

The main objective of the IDU is to educate, motivate and inspire churches and individual believers to become more active making Christ known among the nations and peoples where He is not known. We are encouraging every Christian to do what they can to help fulfill the Great Commission by praying, advocating, sharing and serving.

### **What can I do to support the IDU?**

We're asking churches throughout North America to teach and preach on the Great Commission and the plight of the unreached and to engage on behalf of unreached people groups. We're asking media outlets to encourage their viewers and listeners to support the initiative by visiting [www.dayfortheunreached.org](http://www.dayfortheunreached.org) and taking any of the actions available on the site.

### **How are churches supporting this project?**
